Form 990 - Organization's Mission

Child's Path strengthens and enriches the lives of underserved children and families in Collier County through high quality early childhood education.

1 - Provide scholarships for children ages birth to 5 years old to ensure access and school readiness.

2 - Emphasize the arts and nature through experimental learning.

3 - Encourage children's innate ability to develop cognitive, physical and social-emotional skills.

4 - Engage families to assure their children's future success.

Our vision is to inspire children's love for lifelong learning.

Form 990 - Additional Information

Child's Path uses learning practices inspired by the Reggio Emilia approach- a project based curriculum that is flexible and emerges from children's ideas, thoughts, questions and observations. This philosophy supports the belief that children are full of potential and that their natural curiosity will lead their learning. Children are encouraged to engage and work with their peers to achieve common goals and develop confidence as they learn at their own pace. Learning goals are based on each child's individual interests and the teachers act as partners and collaborators. Learning is active and engaged, as opposed to rote and teacher structured.

Reggio-inspired learning views young children as individuals who are curious about their world and have the powerful potential to learn from all

that surrounds them. Education, Psychological, and Sociological influences are important factors to consider in understanding children and working to stimulate and enhance learning in appropriate ways. Additional resources are required to ensure the learning environment is warm, nurturing, healthy, safe, art-based, nature-inspired and flexible- promoting creativity, problem solving and engaged learning.

Child's Path uses a PEO for payroll purposes. Officer compensation is broken out on Part IV for transparency purposes only.

CHILD'S PATH MOORINGS EARLY CHILDHOOD DEVELOPMENTAL CENTER

Child's Path Moorings, our newest center, opened in 2017 and is part of Child's Path's continuing expansion to meet the increasing demand for high quality early childhood care and education in Collier County. Child's Path Moorings provides high-quality early childhood care and education for up to 65 children ages 1 year - 5 years and is located within the Emmanuel Lutheran Church at 777 Moorings Line Drive in Naples, Florida. Over 70% of the children from working families served at this center are economically needy and receive sliding-scale scholarship assistance. Without this partial scholarship assistance for high quality early childhood care and learning, parents would lose their ability to work and provide for their families and the children would not be ready for Kindergarten and future academic success. Over 34,000 healthy meals (breakfast, lunch and snacks) were served to children at the Moorings center in 2019. Significant improvement was achieved in key developmental areas from the first quarter to the end of the year with social and emotional development improving from 45% to 86%. Children scored 83.05% in cognitive development compared to

66.67% in quarter one.

CHILD'S PATH SANTA BARBARA EARLY CHILDHOOD DEVELOPMENT CENTER

Child's Path Santa Barbara is in Golden Gate City, which is identified by many Collier County nonprofit agencies as an area in acute need of high quality early childhood learning opportunities for children ages infants - five years of age, and cares for up to 85 children daily. Over 80% of the children from working families at Child's Path are economically needy and receive partial scholarship assistance. Without this partial scholarship assistance for high quality early childhood care and learning, parents would lose their ability to work and provide for their families.

Additionally, the children would not be prepared for Kindergarten or future academic success. Over 49,000 healthy meals (breakfast, lunch and snacks) were served free to children at Child's Path Santa Barbara in 2019/2020. Enrolled children made gains in developmental areas. In the areas of social and emotion development, children scored 74.11% in the areas of meeting or exceeding goals for this area compared to 56.76% in the first quarter. Children scored 80% in cognitive development compared to 56.72% in quarter one.

TAPP PROGRAMS -CHILD'S PATH EARLY CHILDHOOD DEVELOPMENT CENTERS

Child's Path operates two "TAPP (Teen-age Parent Programs) as a contracted provider for the Collier County Public School System. One program is located inside Immokalee High School and one program is located in Golden Gate High School. These programs serve children as young as 2 weeks- five years of age. Both centers provide a high quality early childhood learning program in addition to providing support for the education of the teen

parents enrolled in the TAPP program. These teens can focus on graduating high school and plan a successful future knowing their children are safe in a nurturing, high quality early education program. During the 2019-2020 fiscal year, the program served an unduplicated cumulative total of 143 children. These programs also provide early childhood education to the children of Collier County Public School system staff. All children made gains in their developmental milestones.

Effective July 1, 2020, the organization officially changed it's name to Child's Path.

Form 990, Part I, Line 6

Volunteers are an asset in our classrooms to provide one on one support to children or assist the teacher. Volunteer numbers were reduced in 2020 due to the pandemic. Child's Path had to begin prohibiting outside visitors into the centers effective April 2020. We have not yet resumed allowing outside visitors in the classrooms, but we have pivoted to offer virtual story times.

Volunteers also provide valuable services as board members, committee members and assisting with fundraising. Volunteers donated over 700 hours during the 2019-2020 fiscal year, valued at over \$18,000.

Form 990, Part III, Line 4d - All Other Accomplishments

Our centers closed on March 16, 2020 due to the pandemic. Our Santa Barbara center re-opened on March 30th to provide care to the children of essential workers and first responders. Strict Center for Disease Control and Department of Health protocols were followed which included temperature

checks, frequent hand washing, mask wearing for students and staff, and separate indoor and outdoor shoes for all children and staff. Our Mooring's location re-opened on May 18, 2020. Our enrollment numbers were very low initially between both centers: with minimal enrollments of: 9 total children in March 2020, 13 children in April, 35 children in May, 46 children in June and 52 children in July. Our two programs inside of Collier County public schools opened at the end of August and our enrollment numbers returned to closer to typical. Remaining open and operational during a pandemic has not been without it's challenges, but with a tremendous amount of work and dedication on behalf of the staff, Child's Path was able to re-open very quickly following the forced closure by the government at the beginning of the pandemic helping ensure the community and especially the children continued to be served.
